

**BLACK HOLE UNIVERSE ITN
COLLABORATION MEETING
22-24 September 2010
Karaköy Communication Center of Sabancı University
İstanbul**

The Black Hole Universe ITN Collaboration Meeting will be in Istanbul on 22-24 September. A conference room has been reserved at the Sabancı University Karaköy Communication Center which is at the heart of old Istanbul. Some of you are already familiar with the venue, this is where we hold the annual ASTRONS workshops. As new information about accommodation, scientific and social program develops I will post them here, and also send an e-mail to the appropriate lists.

See you soon in Istanbul!
