

The Observatory is located in the very center of Milano on the top floors of the Brera Palace, which is also the site of the School of Fine Arts, the Braidense Library, the Brera Botanical Garden and the Brera Art Gallery (Pinacoteca di Brera). Its address is via Brera 28, 20121 Milano

To access the observatory, you have to enter the main building, go across the yard with Napoleon's statue, walk to the opposite side of the building and climb a staircase. Two floors up is the entrance to the Observatory, but this is only the administration and museum. "Per aspera ad astra." You will have to walk two floors to reach the offices and two more to the dome where our meeting will take place. Signs will be placed to guide you there.
